L "Poplars Farm", turn up this, in a northerly direction to the farm buildings.

M. For ease of navigation permission has kindly been granted, by the owner Mrs Haldane, to carry on in the farmyard, keeping the large building on your right. At the pond on your left, and the end of the building bear right.

P Use this to get to the other side (North-side) of the ditch and carry on to the railway footbridge. Cross over this, follow the field edge path, again keeping the ditch on your left. Pass to the side of a galvanised steel farm gate, then turn right coming to the road on a right hand bend.

Q Continue on towards the village, keeping houses on your left. Just before what were the council houses, at the other side of the road is a public footpath sign.

R Follow the path with the hedge on your left, in an Easterly direction until you come to a small galvanised steel gate, alongside a large gate on your left. Pass through this to come to the road, on a right hand bend.

S Turn left and continue on to the village. Be aware of traffic.

T At a sharp left hand bend, near "Church Walk" turn left back to the Rythre Arms.
